Massimo Serini

"Great Style"

A hairstyle speaks volumes and a good one gives a boost to your confidence and looks. Massimo Serini celebrates the pride of women - their hair, by giving a new lease of life to them through a cut, style or color. At Massimo, your hair will do the talking, come and see the magic unfold.

Metodo Rossano Ferretti

"Customized Hairstyles"

Metodo Rossano Ferretti in Rome is one of the many chains of this luxurious brand focusing on cutting edge hairstyles. They treat each hair strand differently as they believe that gives a more inborn look and effect. Each hairstyle is a piece of art. Situated on the first floor of the Hotel Hassler Roma, the salon has a beautiful view of square of Trinita dei Monti. Before a cut, the stylist has a consultation with the client to understand her better and to conceive a wonderful hairstyle for her. Truly a great method to get a haircut that enhances the beauty of a woman and no wonder their salons are famous worldwide.

Noi

"Only For You!"

They say a haircut can either make or break you and it is true. A good hairstyle will do wonders to your confidence, beauty and stride. That's why you have to try Noi when you are in Rome to give you that extra zing. This hair salon has only become famous through word of mouth, so you can imagine the numerous happy customers they have who are just spreading this goodness. Noi is nestled in the heart of the city center, in the courtyard at Piazza del Popolo. You will just feel welcomed when you enter the cozy boutique salon and pampered by the expert hands who will just work wonders on your hair.
