Velodroom

"Cycling in Brussels"

This large bicycle shop in the heart of Brussels offers a wide range of traditional and modern bikes, folding bicycles and scooters. They also supply information on guided bike rides. Cycling in Brussels is being encouraged more and more. Most definitely this would be the ideal solution for solving the problem of traffic jams. The whole of Brussels on bicycle; no doubt that's what the owners of Velodroom must dream of.

Fanshop RSC Anderlecht

"Football Club Anderlecht"

The Fanshop RSC Anderlecht was opened in 1997 on the initiative of the wife of Roger Vanden Stock, president of the football club Anderlecht. The majority of the items sold here are sports garments such as football shirts, tracksuits and anoraks. You can buy sportswear with or without the names of the Anderlecht footballers emblazoned on them. In 1998, the Fanshop started a mail-order shopping service, thus Anderlecht realized that they have fans abroad too— in France, in the United States of America and in Australia.
