Hotel Neri

"Unmatched Luxury"

Luxury doesn't get any better than this. It has a swanky restaurant and a solarium where guests can indulge themselves. You won't have to explore Barcelona on an empty tummy with the divine buffet breakfast available here. The hotel has a rustic feel with its stonework, drapes and coarse-finish furniture. Adding to the royal picture is the flawless service by the diligent staff, who leave no stone unturned to pamper and please guests.
