pudding barcelona

"A Cafe for Kids and Parents"

An adorable little cafe, Pudding Barcelona is perfect spot where parents can spend a memorable day-out with their kids. Its whimsical designs and bold color theme makes the cafe seem straight out of a children's storybook. Here parents can enjoy a cup of coffee with delicious sandwiches while kids soak themselves in books, games, and the playful ambiance. The place can also be rented for private parties, and is a great venue for a birthday party for your little one.

bernie's diner grill & bar

"A Meal of American Proportions"

The American tale of burgers, steaks and grilled meats is not a fantasy anymore in Barcelona - Courtesy : Bernie's Diner Grill & Bar. This downtown Bernie's location draws in crowds in huge numbers for their famed sirloin steak, BBQ ribs and gourmet burgers. How can you resist tasty breaded Mozzarella sticks or the signature Bernie's walnut-encrusted brownie prepared from the most decadent of chocolate and topped with vanilla ice cream? Sit down in a 50's inspired retro ambiance, with funky music playing in the background and dig in your T-bone followed by Grandma's cheesecake. The food here is so luscious that hogging for once, is not looked down upon.

dans le noir

"Embrace the Darkness"

Leave your sense of sight at the door, as you walk in through the entrance of Dans le Noir. Meaning 'in the dark' in French, this restaurant is completely devoid of light, offering guests a unique dining experience, where they are forced to rely on their other senses. Visually challenged guides will lead you to your table filled with tantalizing French fares, where your sense of smell and taste will definitely take over. A well illuminated lounge and bar awaits those who crave for a break from the dark. Meal timings are according to sessions, check the website for schedule details and arrive early for instructions.

La Posada Maldita

"Spooky Dining"

You are sure to feel the chill creep up your spine as you walk in through the doors of La Posada Maldita. Right from the squeaking gates to the fake 18th-century interiors, every step of the way you will be greeted by a creepy entity. The dead bride, Frankenstein, immortal mummy, blood soaked bodies, vampires and other creatures of horror will loom around the place to serve you and entertain you. Established in 2006, this restaurant aims at offering its guests a unique and thrilling dining experience.
