Hotel López de Haro

"First Choice of Executives"

Rising to fame for its list of prominent personalities having stayed here, Hotel López de Haro is one of Bilbao's finest choices for spending a vacation. Elegantly set rooms and minute detailing of every aspect sets this hotel apart from other local establishments. Proving to be a peaceful haven, in spite of being located in the heart of the city, this accommodation is a peaceful getaway while still being connected to the buzzing city hub. The in-house restaurant serves delectable Basque cuisine. It's prime location also means that Hotel López de Haro is quite close by to various tourist sites, the most famous being the Museo Guggenheim. So, book your room today and experience luxury that you will cherish for a long time.
