Taberna Astuy

"Burgerlicious!"

Taberna Astuy serves amazing burgers: ham, cheese, egg and meat tenderloin. There are also fries topped with delicious sauces, and wraps. The ambience is decent, and there's outdoor seating even, where you can relax with a book in your hands and food on the table, or simply eat and chat away. The food is delicious, and the staff, pleasant. Taberna Astuy could be tried for all that it is, collectively-warm interior ambience and also good outdoor-seating, along with sumptuous food.
