### Hôtel Foch

"Near the Tete d'Or Park"

This hotel is in Lyon's most chic and relaxed arrondissement. The Hôtel Foch is housed in one of the attractive old buildings that adorn this excellent residential area. The décor is beautiful and warm, the rooms are a good size, and the breakfast room is a joy for those who love fireplaces. Its geographical situation means you will be close to the Tête d'Or Park (140 hectares of nature) and the peninsula (if you cross a bridge). The rooms are quaint and are decorated in pastel colors. Considering the small number of rooms, you are advised to book early for the summer season.
