Mercure Lyon Plaza République

"Elegant Hotel At Decent Price"

Mercure Plaza République enjoys a pretty façade, which is typical of Lyonnais edifices from the past century. Although aesthetically sober, it, nevertheless, possesses many attractions (take a look at the structure of the windows and the admirable little sculptures, which adorn them). The rooms are all tastefully decorated and exude an aura of comfort. You can relax and sip on exotic drinks at their bar. This very comfortable place is found on the edge of the Place de la République; so you will be right in the middle of a lovely pedestrian zone, which is the most popular well as busiest shopping area in the city.
