"Gourmet Sandwiches"

Gourmix specializes in gourmet sandwiches inspired by French regional cuisine. Rustic and deceptively simple, these culinary creations are packed with flavor. Fresh local ingredients from vine-ripened tomatoes to wafer-thin slices of French ham from local producers, and fresh baked bread make all the difference in elevating each sandwich to epicurean heights. Available in mini and full-sized versions, these sandwiches are perfect for a quick bite on the go or a casual meal with friends.

Brasserie Georges 1836

"Historical Brasserie"

The Brasserie Georges has been a monument of Lyonnaise gastronomy since 1836. The building alone is worth the visit—it is designed in art deco style and up to 650 people can be seated under the majestic ceiling, which has lustrous frescos. The menu remains purely traditional with sauerkraut, seafood and fish, and some Lyonnaise specialties. Everything is served with a drink, of course. Any journey to Lyon must include a visit to Georges.
