Pizzeria Le Jardin des Pentes

"Cheap & Delicious Pizza"

Le Jardin des Pentes isn't where you want to go for a fancy dinner experience, but if you don't mind the crowded, tiny room and feel at ease amongst loud groups of young people, this is the place for you! With every choice of pizza, the place and its relaxed feel definitely speaks to the Croix-Rousse student crowd. But this is no greasy dive, the pizzas are prepared right in front of you with fresh ingredients, and they are delicious! The favored pizza spot of several sports athletes, this family-owned pizzeria is the perfect place to break your French monotony and relax with delicious pies and beer. Mamamia

"Cozy Pizza Place"

Tucked away on a quiet street in the city, Mamamia bakes excellent pizzas with fresh ingredients and a crisp crust. The extensive menu features both tomato and cream-based pizzas, with several cheese and meat varieties and authentic sauces. While the dining room may be nothing to writing about, the pizzas more than make up for it. Kids especially love the rainbow-inspired dessert pizza, topped with nutella and M&M's. Mamamia features a takeaway option, which is extremely popular with the patrons.
