Cresus

"Vintage Watches & Jewelry"

The Cresus boutique is a jewel box of 200 square meters (2153 square feet) dedicated to the world of Swiss watches (and stopwatches and pocket watches), and to vintage and contemporary creations of the great French jewelers. Certain patrons are captivated by the unusual aesthetics of vintage works, others by a second-hand watch; a splendid gift to combine passion and intellect. The jewelry and watches are shipped free throughout the European Union.
