Antico Caffé Martini

"Up to the Minute Restaurant"

Antico Caffé Martini is a dining destination like no other, near Piazza San Marco, a few steps away from Teatro la Fenice. A lot of its costumers here are the theater's patrons who've come to catch a bite and a drink, before or after the show. Romantic duets entertain diners as they eat, the lovely outdoor patio makes for a romantic date spot. The service is excellent and the cuisine is typically Venetian with a nod towards traditional fish and seafood preparations. A wide selection of local and non-local wine is on offer as well, these couple well with the delightful offerings at Antico Caffé Martini. With a history that begins in the 1720s, Martini's has a lot to offer, whether you're a lover of arts, history, music, food and wine.
