Martinuzzi

"Traditional Lace Designs"

Martinuzzi is touted to be the oldest shop selling lace in Venice. Most other lace shops in the city import their goods from foreign lands, however Martinuzzi has stuck to its traditions and is one of the best places to buy handspun Venetian lace items. As soon as you enter the shop, you are greeted by racks of laces in a variety of colors and intricate patterns. Whether you are looking for bobbin lace, bedspreads, table cloths or mats, this place has it in unusual and fashionable patterns that are sure to infuse an element of surprise in your home. This store also takes custom orders to design bed sheets for oversized beds.

La bottega dei Mascareri

"Masked Glories"

Since 1984, La bottega dei Mascareri has been showcasing and selling masks. Each of the mask is a masterpiece that stands for innovation and mastery over intricate designs. The hand-painted masks often feature in Hollywood movies as well as California Shakespeare Festivals taking this art beyond the bounds of Europe. The owner-cum-artist Sergio will be more than happy to show you around and help you to choose one.

Venini

"Historic Glassware"

This historic glass-blowing business has always produced extremely exclusive glassware. Vases of all shapes and sizes take on magical colors and transparencies in a plethora of styles. Collaboration with a variety of modern designers and artists such as Ettore Sottsass has insured that the decorative glassware remains contemporary. Today, Venini produces vases, glasses and chandeliers, which are exported all over the world. Decorating your home with Venini's pieces adds a wonderful dimension to the interiors and brings an unique charm.
