A.S.D. Novafit

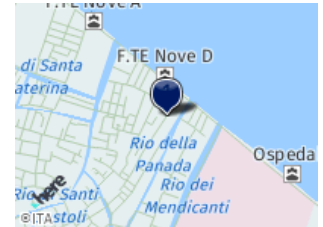

"A Gym For All Needs"

A.S.D. Novafit is a gym known for its flexibility as it conducts a wide variety of activities, four kinds of fitness programs such as free and custom fitness, and various color-coded styles according to which you attend thematic classes. One can take the conventional path and tone one's body using a combination of strength training and cardio exercises or attend one of their myriad activity sessions. There are body balancing lessons, Puerto Rican salsa, classes in postural balance, toning, gentle exercise, zumba, karate and pilates. It also offers special exercise sessions for children, senior citizens, pregnant women and those with specific injuries.

Club Delfino

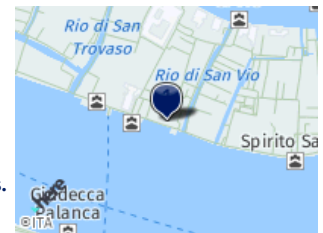

"Training To Be Fit"

Opened in 1996, Club Delfino is a popular gym in Dorsoduro. This waterfront gym offers programs to tone your body through combat exercises and workouts, zumba, dancing classes and adaptive gymnastics. These versatile courses will make sure that you never get monotonous while gymming. You can also avail of rejuvenating massages once the sessions are over.

Eutonia Club

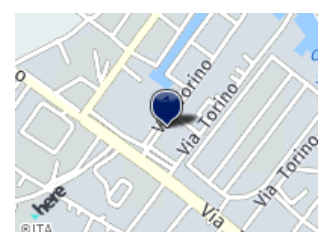

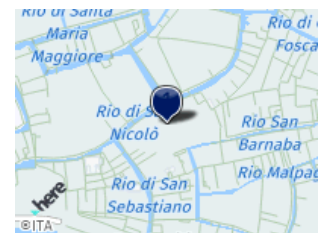

"Activities for the Entire Family"

Eutonia Club is a good fitness club for working people as it has programs for exercising just twice in a week. Of course, members can also avail of monthly or annual memberships, which are available at slightly reduced rates. It also offers packages for mini classes, personal training and thematic courses. Patrons can choose from a variety of activities including yoga and pilates and avail of massages for relaxation of the mind and body. The specialty of this gym is that it conducts special educational sessions for children, which comprise of fitness, personal hygiene, reading, drawing and craft created by recycling materials.
