Michael Andrews Bespoke

"Exclusive Men's Wear"

Michael Andrews Bespoke is a high end men's specialty store in New York. They specialize in customized formal attire and the entire process from choosing, fitting, stitching to altering takes nearly two months. Because of its exclusivity you can only shop in the store by prior appointment. They are closed on Mondays and Tuesdays. The store has a classy feel to it with a cushy sitting room which has a bar attached to it. MAB pampers you with their service, ambiance and their professional staff will guide you well into the fabrics. They also accessorize your suits with shoes, cuff links and ties. MAB is known for their striking and elegant suits which are carefully crafted for a perfect fit, each unique for its wearer.

Ermenegildo Zegna

"Understated Italian Chic"

Zegna may not be as popular as Giorgio Armani, but the truly hip man will be familiar with this brand. Find classic cuts and designs, such as knitted black three quarter length coats, simple but sophisticated suits, and plain, woolen sweaters. Comfort is another of Zegna's priorities, with an emphasis on soft, wearable fabrics like cashmere, silk and mohair. They also stock an up market range of shirts, ties and accessories. Definitely for the discerning gentleman!

Tom Ford

"Explicit Style"

Tom Ford's boutique at Madison Avenue is a huge two-story structure with almost 10,000-square-feet of space made to look like a bachelor pad. This actor-designer has placed beaver rugs, metal sculptures, a wet bar, plus butlers and housekeepers to take care of you and even serve lunch! At any point in time, the place gives you the feel of being in some rich guy's residence. There is also a hidden elevator with upholstered walls and a fireplace. This store showcases Tom Ford new collection for men, a collaboration with Ermenegildo Zegna. He uses good fabric and even better cuts. His collections include menswear, eye wear and accessories for men and women.
