#### "Local Antiques at Miss Pixie's"

Whether you're shopping for the perfect antique furniture to add to your home, or simply feel like browsing through an eclectic antique selection, stop by Miss Pixie's. For the best pickings, try to get to the shop on a Thursday or Friday morning, as new shipments of antiques arrive on those days. The inventory ranges from Victorian lounges to shabby chic garden furniture, so come prepared to leave with something you never expected to buy. Miss Pixie's store gets all of its stock from auctions, so the selection of goods varies with each new purchase and shipment.
