Andaz West Hollywood

"Fashionable Location"

Andaz West Hollywood sits close to Sunset Plaza, the House of Blues and other noted places on the Sunset Strip. The 1930s art deco style and the geometric lines used throughout its fashionable décor make the place very unique. The highly visible advertising space on its 14-floor sides have become a local landmark of sorts. Multi-million dollar renovations completely revamped public areas including the Tramonpo restaurant, lobby, rooftop pool and meeting areas.
