Bellagio Las Vegas

"Pride of Las Vegas"

Built in 1998, and located on The Strip, Bellagio is the definition of luxury. The guest accommodations are tastefully decorated with European-style art and furnishings. The large bath with Italian marble and soaking tub adds to your comfort. Restaurants at the hotel are numerous and diverse, including The Buffet, Le Cirque and the fabulous Picasso. The huge gaming area is reminiscent of Monte Carlo and hosts table games, a sports book, and slot machines. Botanical Gardens and the choreographed Bellagio Fountains highlight the property. Visit the hotel's Spa Bellagio if you want to pamper yourself with some soothing massages and body treatments.

Mandarin Oriental, Las Vegas

"Asian Elegance on the Strip"

Located at the corner of the Las Vegas Strip and East Harmon Avenue, this mid-strip luxury hotel is stylish, subdued, and serene. As part of the mega-resort complex called the City Center, the Mandarin Oriental offers several restaurants, fabulous spa pools and cabanas, but no casino. The hotel is more an experience in the vertical, with only the porte cochere and bell desk located on the ground level, and the lobby located high up on the 23rd floor. The hotel is modern, sophisticated and elegant at every turn, with public areas filled with dark and subdued hues that contrast with guest rooms, which are bathed in natural light.
