Fleur by Hubert Keller

"High-Quality French Cuisine"

From the ashes of the former Fleur de Lys, celebrity chef Hubert Keller presents more simplified, yet highly recommended tasting tapas dinners instead of a more traditional classic French repertoire. The restaurant is located inside the Mandalay Bay Resort and Casino and though the menu may have changed, the decor hasn't been modified too much. With golden chairs, cropped rock architecture and white tablecloths, the space still has a casual, yet elegant ambiance. Chef Keller is constantly changing the menus, but one thing you can rest assured of, the experience will be one you won't soon forget.

The Cracked Egg

"Get Your Egg On"

For the most important meal of the day, make it a point to head over to The Cracked Egg, a locally owned breakfast hotspot in Las Vegas. The restaurant, with four Las Vegas locations, has won prestigious titles including, "Best Skillet Breakfast." They were also listed as a top rated restaurant on Citysearch 2009, and if that isn't enough to convince the breakfast fan, then a look at the menu should do it. They offer eggs in just about every form one can think of, along with a variety of other breakfast foods. They also have a lunch menu that includes burgers and a large variety of gluten free items.
