Buffet at the Bellagio Resort

"Global Feast"

Dining here is more like an intercontinental feast than a buffet. This buffet is more upscale than the average all-you-can eat buffet with sophisticated ambiance. Tastes from Italy, Japan, France, Mexico and America abound, and the freshest seafood and carved items are plentiful. Some of the standouts are the king crab legs, beef Wellington, pastas and sushi. The plethora of desserts are reason enough to go to the buffet. The Buffet restaurant remains open for breakfast, lunch and dinner throughout the week.
