### Rollin Smoke Barbeque

#### "Southern-Style Barbecue"

Get a taste of the South at Rollin Smoke Barbecue. The decor is simple, featuring dark colors and a Vegas-themed mural on the wall. The smell is irresistible, and you'll be glad there are plenty of heavy-duty paper towels on the table when your food arrives. Whether you order the brisket dog, BLT wrap, rib and chicken combo, or barbecue nacho fries, things are bound to get messy.
