Giwa

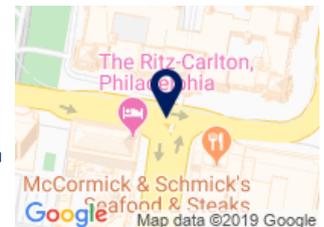

"Korean Fast Food"

The Korean fast food restaurant Giwa is a great place to have quick lunch or dinner at a reasonable price. Perhaps the best-known dish on the menu is their selection of bibimbab, vegetables mixed with rice and hot pepper sauce and topped with a cooked egg. Their numerous varieties of bibimbab is served in a hot iron bowl which literally fries the rice as you eat it. Another favorite is bulgogi — marinated beef served with rice. Giwa is centrally located in the heart of center city making it convenient and easy to locate.
