### Irish Pub

"Popular Location"

High ceilings, a carved cherrywood bar, stained glass and signed photos of Irish-American celebrities enhance the decor of this Irish Pub. The menu features affordable Irish-American fare like shephard's pie and homemade Irish soda bread. Private rooms are available for functions. Reservations are recommended for parties of seven or more. DJ parties are often held here. There's usually a line to get in on weekend nights.

### Johnny Brenda's

"An Impressive Bar"

Johnny Brenda's very ambiance would elicit a rapt smile from you as soon as you enter this restaurant-bar; it's that cheerful! And while the decor is pretty zippy, you will be glad to find a balcony extending from the room, where the bands perform. Fresh and tasty food, especially Mediterranean, is accompanied by good music and superb beers. While there is a good collection of wines and liquors here, Johnny totally dotes on its cask-conditioned brews.
