Citizens Bank Park

"Home to the Phillies"

Citizen's Bank Park was completed in April 2004 and boasts of a state-of-the-art design. With the goal of placing fans closer to the action and maximizing sight lines to the field, architects decided to combine "bowl" style seating with a field that is recessed 23 feet below street level. It's a design that places fans right above the action! The ballpark seats 43,500.
