### I. Goldberg Army & Navy

#### "Military Chic"

"The Army-Navy store with style", I. Goldberg features outdoor and working gear that is both functional and fashionable. Durable brands of apparel and footwear like Dickies, Carhart, Wrangler, Levi's, Timberland, Carolina, Herman, Black Rock, and Caterpillar highlight the inventory. Accessories for outdoor activities like hiking and fishing are also available. Goldberg is certainly not what you would expect from a typical army-navy store where designer fleeces are sold along with construction boots. Discount prices and 30%-off sales are common occurrences throughout the year. See website for online shopping and more.
