Macy's Center City

"Culturally Enriching Shopping"

Housed within the historic structure, the Wanamaker Building, which was once home to America's first department store, Macy's Center City forms a busy shopping destination nestled within the historic downtown in the Quaker City, Philadelphia. The store has been redesigned opulently, without compromising the traditional and original elements of the landmark building. It is home to iconic attractions like the magnificent eagle statue in the Grand Court and the legendary Wanamaker Organ that features 28,500 pipes, making it the greatest playable musical instrument in the world. Midst a wonderfully nostalgic ambiance, the historically rich shopping venue offers the newest trends in clothing and home decor among other things, making for an enriching shopping experience.
