### Villa Oniria

#### "Fab Living"

Live king-class at Granada's Villa Oniria where luxury is a way of life and hospitality is nothing but generous. The 19th Century palatial mansion has been tastefully renovated with fine attention to details and mod-cons adorning every corner. The scenes outside the windows are of the beautiful courtyard and its fountains, while interiors of the rooms are swathed in warm colors and crisp linens. The hotel's spa offers rejuvenating treatments which are bound to unfurrow those brows and put the spring back in your step. Dinners are a fine-dine affair with exquisite dishes rolling out of Chef Alvaro Arriaga's kitchen. An unforgettable stay experience in the heart of the city is guaranteed.

### Hotel Hospes Palacio de Los Patos

#### "Five-Star Facilities"

Hotel Hospes Palacio de Los Patos is an old palace in the center of the city of Granada. This age-old palace has been renovated into a five-star hotel, keeping the previous design and structure to give you that old-world charm. The restaurant at the hotel serves some exquisite Spanish cuisines which are cooked with locally sourced ingredients. They also have a spa at the hotel, where you get services like beauty treatments. Besides this, they also have a dry sauna, a steam room and a thermal pool. They have facilities to host business meetings and conferences, too.
