"Yummy And Very Affordable"

A favorite hangout of the Georgia State University students, Rosa's Pizza has been dishing out yummy pizzas for more than two decades now. Lunch hours are packed, so its better to place your order on the go. The pies are pre-made to ease the rush but nevertheless they are delicious and very affordable. They also serve calzones, lasagnas and spaghetti's if pizza's not your thing. If you want to taste one of the best authentic New York style pizza's in downtown, then Rosa's is your best bet.

Nick's Food to Go

"Authentic Greek in Grant Park"

Nick's Food to Go on the corner of Hill Street and Martin Luther King, Jr. Boulevard might not look like much, but the Greek take-out eatery is a favorite with locals and food aficionados throughout Atlanta. Nick, his wife and their grown children operate the restaurant, adding a dash of authentic flair. The gyro platter, which includes a Greek salad and Greek fries on the side, is one of the most popular dishes. Anyone with room for dessert can try the baklava.

Taqueria Del Sol

"Tacos, Entrees, Full Bar"

Located in the new Westside complex, Taqueria Del Sol is quietly building a reputation for its high-quality, yet inexpensive Mexican fare. The interior is rather eclectic and funky, with exposed ductwork and an abundance of wrought iron. A wide variety of Mexican dishes includes all the traditional favorites, but their emphatic specialty is tacos. You'll find a nearly impossible variety of taco combinations, with fish, shrimp, and other odd options. Taqueria Del Sol also has a full bar with a wide selection of cervezas and tequila. See website for menus, maps, photos, and Decatur location.
