### Filling Station Tap Room

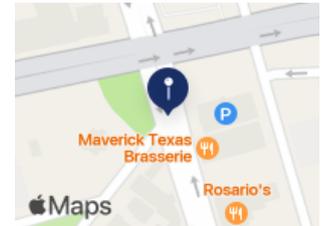

"Casual Beer Spot"

You won't find a lot of fancy decor or frills at Filling Station Tap Room, but what you will find is an exceptional selection of craft beer. Local brewers like St. Arnold are featured alongside beers from around the country, like Lagunitas and Odell. There's not too much room to sip your beer inside, but the patio outside is quite spacious.

### The Friendly Spot

"Outdoor Bar"

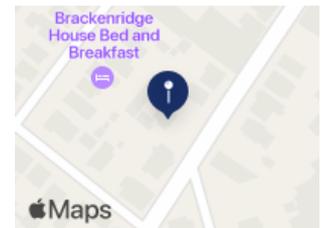

The Friendly Spot lives up to its name, providing an inviting place for patrons - and their kids and pets - to hang out. This family-friendly ice house even has a play area where parents can watch their kids play while enjoying a drink from their menu of 250 bottled beers. Dogs are welcome too, so bring the whole family and enjoy the sunshine. From time to time, you'll be treated to a movie on their huge projection screen. Their menu features tasty bar snacks like sandwiches, hot dogs, and nachos. Factor in the friendly service, and this place is perfect to enjoy a Lone Star on a beautiful day.

## Hills & Dales Ice House

### "Bike Bar"

To relax with a drink in a laid-back atmosphere, head to Hills & Dales Ice House. This bar is a favorite among bikers, who gather here for the weekly bike night. Most of the seating is outside under a covering, but there are picnic tables inside where you can take refuge if the weather's not great. Enjoy a good selection of draft and bottled beer, served up with friendly service.
