Sunken Garden Theatre

"Music & Theater"

An open air amphitheater, this venue is used for both commercial and city co-sponsored events. Get together for musical evenings as there are jazz, country and rock concerts. You can catch the San Antonio Symphony playing here, too. For some laughter, catch a comedic theatrical performance. The setting is romantic as the stage is set against a wooded hillside, where cut-limestone buildings in Greek revival style contain the dressing rooms.
