Anatolia Turkish Restaurant

"True Turkish Delight"

Anatolia Turkish Restaurant is a wonderful Mediterranean/Middle Eastern delight in the heart of West Nashville. The restaurant is superbly clean and very tastefully decorated. The menu offers a wide variety of starters, soups and salads as well as a huge selection of hearty Turkish meat dishes including an assortment of grilled chicken, lamb, or beef options, as well as seafood and homestyle Turkish meals. The Mixed Grill platter is a delicious choice for anyone wishing to sample the Turkish cuisine and not able to settle on just one dish. The hummus appetizer is popular and large enough to share. Anatolia also specializes in vegetarian alternatives. - Lynn-nore Chittom
