### Petco Park

"Home of San Diego Padres"

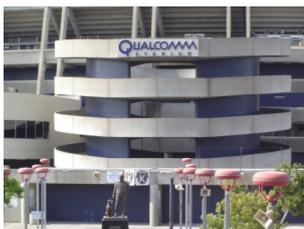

One of the most important ballparks of Major League Baseball (MLB), Petco Park is a baseball fan's haven and the base of the San Diego Padres. Its unique architectural layout is an ode to the region's geography and its natural allure. The framework of the stadium resonates of the surrounding peaks while the steel edifice and enclosing structures are designed like canyons. Landscaped with indigenous plants and featuring a lush area picnic hill, this magnificent stadium boasts to have the best seats for not only sports lovers but also concert goers.

### SDCCU Stadium

"Exciting Football Matches"

Professional sports have a home in San Diego at SDCCU Stadium. The San Diego State Aztecs football team hosts a number of games at this 70561-seat stadium. Not only does SDCCU Stadium host professional sports, but this stadium is also home to college football events. The San Diego State University Aztecs meet their opponents on the SDCCU field. Also, one of college football's popular bowl games, the Holiday Bowl, is played each year at SDCCU Stadium.

### Viejas Arena

"Concert Venue"

The Viejas Arena was built in 1997 on the old Aztec Bowl football stadium in San Diego, California. It is known to be the home field for the men and women basketball teams. The arena is also used to host major musical concerts and performances by well-known artists. It is a popular venue with visitors and it is a delight to catch a game or a concert with a magnificent crowd to cheer on.
