San Jacinto State Historical Park

"Birthplace of Texan Independence"

San Jacinto State Historical Park is the battleground where Texas won its independence from Mexico in 1836. After the Alamo, General Santa Anna's large force chased Sam Houston's small army across Texas and was soundly defeated at this site. The centerpiece of the historic site is a majestic limestone and concrete obelisk known as the San Jacinto Monument that rises up to 570 feet (167.64 meters) above the coastal flatlands to pay tribute to the historical event. At the base of the monument you will find the acclaimed Museum of Texas History and the Jesse H. Jones Theater that screens the 35-minute movie named 'Texas Forever!! The Battle of San Jacinto' every day. The Battleship Texas is berthed in the ship channel at the edge of the park.
