### Hotel Monaco Denver

"Posh Boutique Hotel"

If romance is on the docket, then this is one of downtown's great escapes. The boutique hotel is situated in two of Denver's historic buildings, and is within walking distance to just about everything including the Performing Arts Complex, LoDo and the 16th Street Mall. The luxurious interior screams Mediterranean from the lobby to the posh rooms, many which feature custom furnishings and the all-important feather beds. But although the hotel is perfect for whiling away a weekend of amore, it also takes care of the business class. In addition, you are encouraged to bring along the pet, and if you cannot, then the hotel can provide a goldfish to keep you company!
