BossArts

"Ottawa's Salon & Spa Expert"

Located in Downtown Ottawa in a prime space, BossArts was founded by Bill Bossart to offer the city the best in salon and spa services. This lovely salon is equipped with an immensely professional team that offers impeccable services, and enjoys a huge fan following. While the salon offers fine grooming services for both men and women, the spa is designed for specific treatments and massage therapies administered by Registered Massage Therapists (RMT). Enjoy the soothing ambiance of the salon as you get your tresses styled, with an aromatherapy scalp massage thrown in for free. Scalp and hair treatments, besides coloring and cutting services are also offered. The spa provides a host of facials, pedicured and manicures. BossArts uses only the best of products, such as the Aveda range which makes use of plant-sourced ingredients.

Texture

"Trendy Hair Studio"

Operated by expert hair stylists, Texture is an high-end hair studio offering a number of vast-ranging hair services. Give your hair a fabulous look by having it styled, colored, or cut in a trendy manner to enhance how you look. The spa also offers chemical services like perming, extension services and specialty treatments like Penetraitt Reparative, Drench Hydrating and Nioxin Scalp Renew. You can also soothe your senses with a head massage, or look outstanding for that special event by getting your makeup done by the expert staff members of Texture. If you are in the mood to enjoy premium hair care services, head to Texture and get ready for a great new look. The salon is also a favorite with models, athletes and actors.

The Loft Urban Salon

"Chic Spa-Salon"

Set in a restored 19th-century Victorian building replete with chandeliers, artworks and chic furnishing, The Loft Urban Spa will transport you to a world of bliss. The Loft Academy in the basement is where you can get your hair styled by student stylists under careful supervision. Else you can go with their hair salon's expert stylists to transform your tresses in the first floor. Check out the manicure bar and makeup station in the second level or for a more pampering session, head to the third floor. This serene area is reserved for rejuvenating massages, facials, manicures and pedicures. Let the therapists work their magic on your tensed muscles, relaxing them and refreshing your body. Appointments are highly recommended.
