Sala Thai

"Thai Traditions."

The Sala Thai restaurant combines the best of Thailand's traditional food with a contemporary twist. This place has served the Thai royal family, and has managed to create a cult following among local Canadians. Their food is explores the different tastes from spicy and sweet to sour and bitter through their dishes. For instance, their Pad Gra Paro Talay, which is sauteed seafood with green beans, sweet basil leaves, bell peppers and spicy chilies, explores the spicy and sweet tastes and Tom Kha, which is a coconut milk soup served with lemon grass, mushrooms and a choice of prawns or chicken, focuses more on a sweet and sour taste. Food can be customized to fit the needs of vegan eaters or those who prefer gluten free food.
