Numbers Cabaret

"One Of The Gay Nightclubs"

The Numbers Cabaret is a well known gay night club and bar though it welcomes others as well. This five floors, multilevel dance club also has three bars where you will find people just dancing away in the night to the rocking beats of the coolest DJs around. There is always something going on here such as karaoke nights, drag shows and weekly events, and is quite a rage during the weekends. If are not in a party mood, head to the third floor where the music is low, and play some pool or darts.

1181 Lounge

"Award Winning Nightclub"

1181 Lounge is a sleek gay nightclub. Aesthetic interiors such as the cork and mirror decked walls, moss colored benches and an aligned spatial set up gives it a unique character. Music played by the city's best DJs set the place rocking but it is never too loud for a good tête-à-tête. No wonder it is an award winning lounge and critically acclaimed by Vancouver's gay and straight publications. Come and see for yourself.
