### Vida Wellness Spa

#### "Ayurvedic Spa"

Vida Wellness Spa at the Sheraton Vancouver Wall Centre is an Ayurvedic spa where the treatment is based upon your doshas (elements) which are Vata, Pitta, or Kapha. Each dosha has its unique traits and is treated accordingly to give maximum results. The spa also offers acupuncture on the face and one-on-one yoga classes.

### Spa at The Wedgewood Hotel

#### "Fragrant Healing"

Exclusive spa treatments and a clinical expert like Daphne Roubini to design a treatment for you, the Spa at The Wedgewood Hotel is a wonderful place to retreat in the world of fragrances. The Ultimate Cinnamon Enzyme Facial, is a favorite with the regulars, which features a Cinnamon Enzyme peel that will restore the young charm of your skin. Soothe your senses with the fragrant Lavender Body Bliss or tone your body with the Ultimate Body Toning Treatment. Even the simplest of spa services to enhance your personality are done with professional ease and expertise. Check out the fitness center while on visit to the spa for a complete wellness experience.

## Willow Stream Spa at Fairmont Pacific Rim

### "Spa With Magnificent Views"

The Willow Stream Spa at the Fairmont Pacific Rim is surrounded by beautiful vistas of ocean and mountains and offers you a zen like atmosphere that will surely lift up your spirits. The spa has an outdoor terrace and offers nine treatment spaces which includes a couple's room along with a Japanese Zen tub, a nail spa and three lounges. Treatments are either for 60 or 90 minutes and while you are waiting for your session, the spa indulges you with platters of cookies, muffins and fruits. There is a treatment available for each individual needs, so consult with your spa expert which will suit you the best.
