Emack & Bolio's

"Ice Cream and Yogurt"

Emack and Bolio's at Hard Rock Hotel is a nice place to cool down by the pool on a hot summer day. The ice cream and frozen yogurt parlor caters to tastes of all ages. With over hundred flavors each year, choosing is not an easy task. Will it be Serious Chocolate Addiction or Deep Purple Cow (raspberry)? Why not both and then top it off with a sorbet? If you are worried about all the fat and calories, you can relax as the ice creams are made from low fat milk with no dyes added and freshly made every week.
