Windsor

"Neighborhood Nook"

Windsor is one of the culinary achievements of Craig Demarco; a local restauranteur celebrated throughout the Valley for his popular Postino Winecafe and Churn. The menu features all the goodness of home with favorites like short-ribs and mac-and-cheese. In addition, the restaurant also serves healthier options such as the Fattoush salad and the grease-free Banh-Mi fish sandwich. The spot is open for lunch, dinner and weekend brunches. During the summer months, don't forget to cool off with a creamy, homemade ice cream at Churn, right next door.
