Runner's Den

"Fleet Feet"

Whether you're a seasoned runner or a newbie looking to try something new, the Runner's Den in Phoenix is a great place to start. This shop specializes in running gear, from the proper fitting footwear, clothes, and water bottles, to socks and granola bars. Aside from the proper gear, the Runner's Den also does gait assessments, giving you running tips and advice once analyzed. The shop even has its own running group that meets once a week, making it easy to get started.

Arizona Hiking Shack

"For All Your Sporting Needs"

Whether you are a novice or an accomplished hiker, Arizona Hiking Shack is the place for you. Choose from all types of camping, hiking and climbing gear, such as hiking boots, tents and sleeping bags, which are on sale or can be rented. Makers such as La Sportiva, Sierra Designs, Boreal, Black Diamond and Mountain Hardware are featured. They also carry a good selection of books and maps in addition to hiking and climbing classes. Learn the nuances of climbing from professionals with two decades of experience.

Valley Golf Center

"For the Golfing Enthusiast"

More than just your average driving range shop, this golfing retail store is spread out over 10,000 square feet of space. Here you'll find everything you need to get started or to improve your game. From bags, clubs, balls, specialized cleats, gloves and more the Valley Golf Center has one of the largest inventories of golf equipment in the state. They even offer a "try before you buy" program which allows shoppers to test out equipment on their driving range before purchasing.
