### Garfield Galleria

#### "Home of the Arts"

Spend a few hours at Garfield Galleria; a simple structure that houses 13 spaces of varying sizes dedicated to art and art exhibition. The galleries and working studios within are owned and rented by independent artists and host special events through the month. While certain spaces are fixed in terms of artist or medium, the others make way for an ever changing schedule of art appreciation. For instance, Studio 200E functions both as a studio and gallery space for photographer Margaret Wright. And at Marisabel's Studio Boutique, visitors can study her paintings while also picking up pieces of jewelry created by her. Garfield Galleria provides an eclectic mix for all art buffs.
