Mister Hollywood

"Trendy Men's Clothing"

This store is wonderfully designed - it is a converted old Tokyo house; the kitchen and dining room are still present in the floor design. Menswear designer, Daisuke Obana, showcases his designs here in the only N. Hollywood boutique. The shop specializes in converting vintage clothing into new designs with fine detailing, and it collaborates with big brands such as Converse, Levis and Wrangler. One of Tokyo's best men's boutiques.
