Medusa Boutique Hotel

"Armani Clad Staff"

This is no ordinary hotel and was voted as one of the 21 coolest hotels by UK 'Traveller' magazine. It is located in a grand heritage building, close to Oxford Street and just a short walk from shops, cafes, bars and nightclubs. It has a very futuristic interior design with wild furniture. Elegant rooms have been individually decorated and feature huge beds and a mini-kitchen with microwave. The Medusa theme can be found all over the hotel.

Ravesi's

"Delightful Boutique Hotel on the Beach"

This cute boutique hotel is actually better known for its first floor restaurant with wrap around veranda and sweeping Bondi Beach views and breakfasts that will really start your day on a high. But, the rooms and suites are very comfortable, and some have private terraces and wonderful seascapes. If you fancy entertaining, book the split-level suite and arrange with management for cocktails or dinner.
