### Dust

"Eclectic Antiques"

Dust is an antiques store in Darlinghurst that carries both quality vintage and fun kitsch pieces. Although the shop specializes in secondhand goods, its carefully curated collection mirrors modern trends, promising finds that are equally unique and stylish. There's always an eclectic mix of items at Dust, which has carried everything from silver jewellery to Burmese panels in the past. Whether you know what you're looking for or not, you'll find something amazing here every time.

### Modern2vintage

"Sleek & Stylish"

Modern2vintage lives up to its name, carrying both contemporary and 20th-century homewares and collectables. Those in charge of curating the collection have knacks for finding eye-catching pieces in the modern aesthetic. Located not far from the central business district in Sydney, this vintage shop is an excellent place to source furniture and artistic accessories for your home. It's definitely worth perusing if you love shopping for antiques or find yourself in the Paddington neighborhood.
