Maison Saint-Paul

"A Wine Heaven"

If you need to see the real meaning of libation, head to Maison Saint-Paul. The lounge has over dozens of wine varieties on the menu. In addition they also serve champagnes and cocktails. The place has a wonderful ambiance with an enthusiastic crowd and excellent service. The decor is old school with wood flooring and exposed-brick walls that make the place a bit rustic. If you are a wine enthusiast then you can order your favorites but if you wish to be adventurous, Maison Saint-Paul will spoil you with choices. A wonderful food menu, with a heavy focus on steaks and other meats delicacies is also available to complement the drinks.

Burger Bar Crescent

"Delectable Burgers"

Spearheaded by Chef Brian, the culinary team at Burger Bar Crescent cooks up a variety of scrumptious burgers with delicious fillings. Dig into their Wild Shroom Burger which is stuffed full of sautéed mushrooms, garlic mayonnaise and caramelized onions or take on the challenge of eating their humongous Supersonic burger which has bacon, cheese, dill pickle, tomatoes, banana peppers and onion rings. Having won first place at the Best Burger in Montreal competition, this eatery definitely takes this all-American dish to the next level. A number of zippy cocktails and classic drinks are also available here to go along with your meal.

La Belle Et la Boeuf

"Generous Portions of Food"

La Belle Et la Boeuf, which translates into Beauty and the Beef, is typically thronged by groups of friends. One of the main reasons is the friendliness the establishment exudes, its interiors lively and vibrant. They hold amazing tattoo workshops and other events very frequently. Another reason for its popularity is the generous portions of the food they serve. You can pick from savory items such a burgers, poutines, tartares, and fried chicken among others. An array of drink choices complements the delightful food on offer.
