KBIII

"One of the biggest"

Occupying a former meat locker in the city's meatpacking district, KBIII is one of the biggest clubs in Copenhagen. Decked up with modern sound and lighting system, the dance floor can accommodate 800 revelers. While the talented resident DJs set the dance floor alight on most nights, there's a fair amount of visiting international DJs on their calendar. Apart from this, the club is also host to live music sessions, burlesque, film screenings and other cultural events. The long bar serves up a large selection of cocktails as well as other spirits. There's a huge outdoor area as well, at the back for rocking summer parties.
