### Restaurant Brauerei

"Wine Merchant and Restaurant"

The Warteck brewery stands opposite the Backstein Tower and its restaurant was once used by its staff. The room, which is paneled, has been lovingly renovated by its new owners, who have also added a wine shop. What can now be found is a cozy restaurant with good, reasonably priced food and friendly waiters. During the summer the guests can also eat in the garden. Restaurant Brauerei actually flanks the Kulturzentrum which is today housed in the former brewery.
