Halo Shoes

"Heavenly Soles"

Halo Shoes specializes in fashionable comfort. Fine American and Italian footwear for men and women can be found at this cozy boutique. The list seems endless when you ask what brands the store carries; Sidewalk and Momo are just a couple. The velvet sofa you will use to try on shoes takes up almost half the store, but the selection is far larger than you would guess by the tiny space. You will not be short-changed on quality or service.

Imelda's

"Unique Styles, Great Prices"

Imelda's is reputed for their incredible selection of designer shoes. The idea is to offer lines with names like Franco Sarto or David Aaron at much better than average prices. You will find all the latest here, with an emphasis on enduring style and quality. The storefront is just around the corner from the heart of the Hawthorne shopping district. Jewelry, accessories and hosiery are found here as well.
