Town House

"Oldest Gay Bar in Town"

As the oldest gay bar in St. Paul, the music and the characters here magically transform on a nightly basis. If you don't like it one night, check it out the next as the theme changes. Wednesdays are devoted to posing drag queens and Fridays give way to rock and roll. Cowboys and cowgirls line dance on Thursdays and Saturdays until their spurs no longer jingle or jangle. The back room, now known as Blanche's and decorated in the style of a 1930s cabaret, is home to a piano bar with Twin Cities' legend Lori Dokken tickling the ivories. Appetizers and sandwiches are available but most are there to sip wine, cocktails, beer or soft drinks and take part in the festivities.

Gay 90's

"Mega Mall of Gay Bars"

With eight bars, two restaurants, a drag lounge, and three huge dance floors all under the same roof, it is no wonder this is considered the mega mall of gay bars. The complex draws huge crowds, both gay and straight, looking for a place to hang out and dance or listen to jazz, blues or rock. If you want to get a peek at the gay life in the Twin Cities, the '90's is the only place you need to visit. Although the crowd is mixed, be forewarned the Men's Room is the only strictly gay bar in the joint. The bouncers are

big, the drinks are potent, the food is excellent and you will get your money's worth. The burgers are consistently rated as the best in town by many local publications. Any beverage you can think of is available here. If you are looking for a real experience, this is the place to go.

The Saloon

"Donde Está la Acción"

The Saloon es uno de los principales bares gay de las Twin Cities. Desde el Tank hasta el Stand, pasando por el Chicken Coop, aquí es donde encontrarán toda la acción. Si quieren entrar a Tank, es necesario vestir algo de cuero. Hay un código de vestimenta. Los jueves son noches para los menores de 21 años, los martes hay karaoke y los domingos son 1980 retro. Los fines de semana, este club se ofrece las mejores fiestas de la ciudad, sin importar la orientación sexual de los participantes. La música suena fuerte, los parranderos se divierten hasta las 3 am y en la sala no cabe ni un alfiler. Si la pista de baile está demasiado llena, diviértanse con un juego de pool, una competencia de dardos o los siempre presentes videojuegos y pinball. El menú es limitado pero cuenta con maravillas como hamburguesas, emparedados, ensaladas y bocadillos fritos. The Saloon tiene una carta de cervezas excelente, tanto locales como importadas.
